Long Arm Sewing Machines

Long Arm Industrial Sewing Machines are ideal for sewing tents, tarps, sails, and for seaming very large pieces of materials. We offer several different types of long arm sewing machines with one, two, three or more needles - both lockstitch and chainstitch. Walking foot long arm sewing machines are also available with pullers that assist in moving the material smoothly as you sew. Call us at 1-800-228-0001 and let us know your requirements. We will be happy to assist you in choosing the right machine at the best price.
