\$1,795.00

HIGHLEAD GC20618-1 Single Needle Walking Foot Sewing Machine with Large Vertical Axis Hooks

Â

Â

This series is the latest heavy duty compound feed (walking foot) lockstitch sewing machines, which is designed with large vertical rotating axis hooks (top load bobbin) for thread loop catching and sliding bars for thread up-taking.Â It has been subclassed into single needle, single needle with undertrimmer, double needle and double needle with undertrimmer.

Â

The application of needle bearings for arm shaft and hook shaft, cog belt driving, plunger pump lubrication and compound feed by needle bar, presser foot and feed dog provide this series with such splendid features as smooth running, quiet operation and a long service life.Â this machine is also equipped with a safety clutch to prevent the hooks from damage by over-duty operation.

This machine is ideal for sewing car seats cushions, safety belts, safety air bags, tents, parachutes, etc.
