## SHEFFIELD HC-530A Pneumatic Hot and Cold Strip Cutter, Webbing Cutting Machine

\$3,850.00

SHEFFIELD HC-530A Pneumatic Hot and Cold Strip Cutter / Webbing Cutter

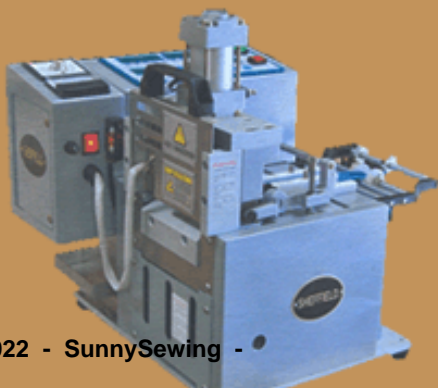

Â

Â

Â

**MODEL HC-530A**

Â

The HC-530A Sheffield Pneumatic Strip Cutter is one of the most popular andÂ Â best selling models.Â It is designed to cut elastic, webbing (up to 1/4" thick), ribbons, belt loops, velcro, nylon cords, leather, safety belts, rubber and vinyl (among many others).Â This model comes standard with our safety knife cover sensor and auto-stop roll end sensor.Â It also may be set for automatic feed and reverse.

Â

The **HC-530 DOES NOT** come with a table. It will be just the machine. If you would like the table stand it is the **HC-530T** model
